Managing Marketplace Admin Tools

Manage settings in Marketplace and your digital library
Admin tab

Marketplace administrative (admin) tools help you manage various features of your Marketplace account and digital collection, and are available in one convenient location.

Note: ‘Library/school site admin’ and ‘Marketplace settings’ user permissions control access to these features.
Marketplace and library or school settings

Display or hide barcodes (library or student card numbers) and emails in reports.

Control lending settings for your digital website.

MARC record ordering preferences

Where?
Admin > MARC preferences

What?
Choose whether to order MARC records for each lending model. Explore your options for MARC record providers, and verify your current provider.

Note: This task requires ‘MARC preferences’ permission.
MARC Express deliveries

Where?
Admin > MARC Express deliveries

What?
Search deliveries to find, select, and download MARC Express deliveries.
Create custom file to search for specific titles and download those records.
Create backdated file to download all records in your collection.

Notes
You’ll receive one delivery per day and will be notified by email once the delivery is ready.
Records are downloaded in a .zip folder.
See all titles in a order by clicking on the hyperlinked delivery date in the search results.

Note: This task requires ‘Download MARC records’ permission.
