THANK YOU

1. Thank you for joining us for today's webinar; we'll be starting at the top of the hour. While you're waiting, please make sure the volume on your computer or device is turned on and up. You will hear audio when the presentation begins. If you have any questions, please submit them under the Q&A button.

2. Want to learn more about lending models? Visit https://resources.overdrive.com/understanding-lending-models/ and schools- be sure to check out https://resources.overdrive.com/getting-started-with-lending-models-part-one-overview/ for the lending model series!

3. It has been brought to our attention that everyone may not be able to see the polls. After speaking with Zoom, we have learned that those of you who are joining us on a mobile device will not have polling capabilities. If you are joining from a multiple monitor setup, the poll is likely being brought up on a second screen. You will still receive a certificate of attendance even if you are unable to participate in the polls.
