

Set a daily reading goal in Sora!

Learn how to enable reading goals, set a goal, and track your progress.

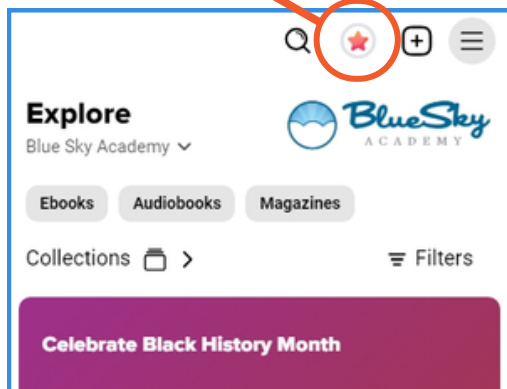

**You can set a Sora daily reading goal between five and 60 minutes.
Your teacher can help you choose a right-sized goal if you're not sure.**

Get started:

1. Sign into Sora.
2. Select the **main menu icon** in the top right corner.
3. Select Reading Goals.
4. **Toggle on** Reading Goals.
5. Use the slider to set your reading goal.
6. Select **Done** and you're ready to go!

Check your progress at any time by selecting the Reading Goals icon.

- When you select the **Reading Goals icon**, you'll see your **most recently earned milestone** and **how many more goal days** you need to reach the next destination.
- If you have **Charts** enabled, you'll see a log of your **historical reading data**. Toggle between the Week, Month, and 6 Months view to compare your progress over time.
- A **star** appears on the calendar for every day you hit your goal!
- Want to see your unlocked milestones? Navigate to the **Me tab**!

Ready to shoot for the stars?

Challenge yourself with a stretch goal by adding five minutes to your initial target goal.
