

The OverDrive App

A brief overview for school partners

OverDrive[®]

An overview

The Overdrive app remains an option for your students to enjoy ebooks, audiobooks, and streaming video titles.

What's the difference?

OVERDRIVE The Company

OVERDRIVE "CLASSIC" APP

- Public Libraries & Schools -

OverDrive's first app that was released for iOS and Android in 2011.

Includes some features that are coming soon to Libby.

SORA APP

- Schools -

Student reading app that brings ebooks and audiobooks to K-12 schools.

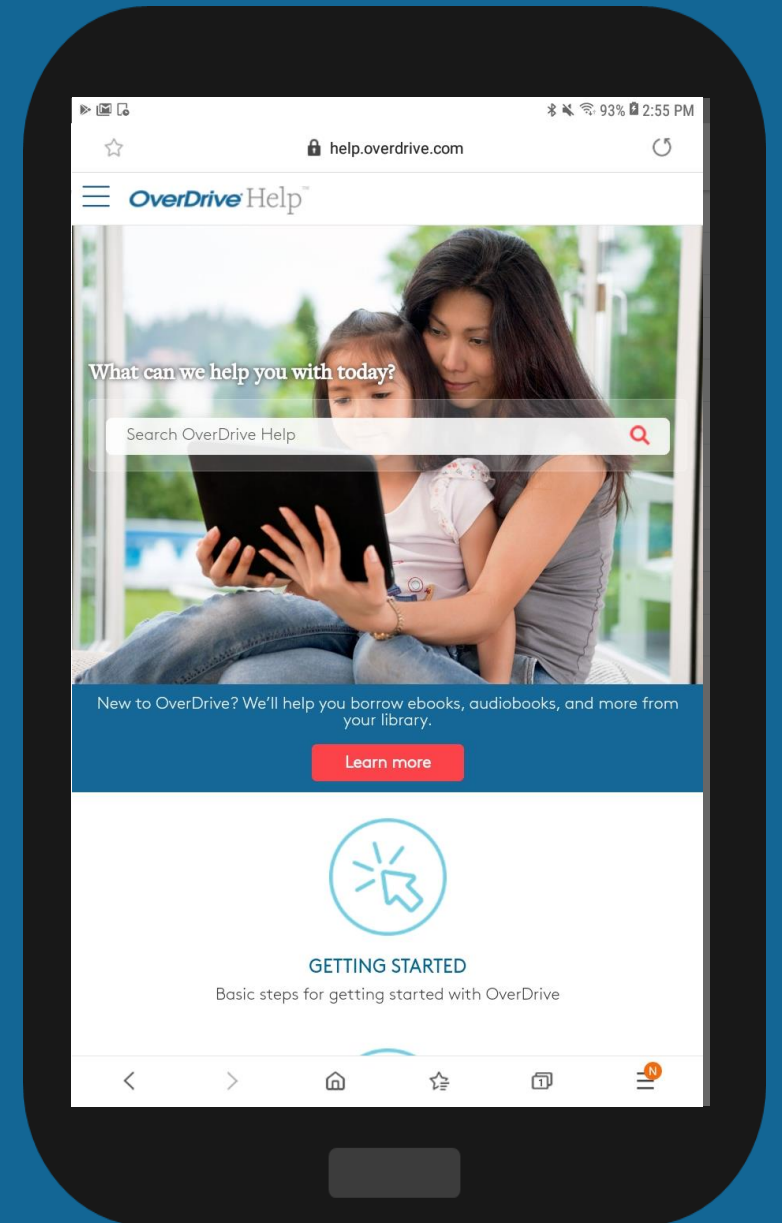

LIBBY APP

- Public Libraries -

Recommended app for users to enjoy ebooks, audiobooks, and magazines from their library.
