Download settings
Download settings

- **Automatic Downloads**
  - Everything: All books will download right after they're borrowed.
  - Books under 20 megabytes: Most ebooks will download right after you borrow them. You can manually download audiobooks, graphic novels, and larger ebooks.
  - Nothing: No books will download right after they're borrowed. You'll need to manually download books to open them offline.

- **Download Only on Wi-Fi**: Reduces mobile data use.

**Offline Settings**
You can download books to read them in the browser when you're offline.

- Total space: 282.935 GB
- Space used: 384.9 MB

In-app help

Describe the problem in as much detail as you can. What steps did you take leading up to it?

Did you see an error message?

Is the problem with one specific book?
