ACHIEVEMENTS

Ten new achievements this school year!

NARRATION

Adjust your speed in audiobooks and Read-Alongs.

EXPORTING

Exporting definitions, notes, and highlights makes collecting student work a breeze.

OFFLINE ACCESS

Going to be away from Wi-Fi? No problem.

Data and Integrations

Student-level reading data for title assignments
and Class Sets

Deep links in Sora

Google Classroom integration in Marketplace

Additional integrations

Curriculum Resources

Sora supports more than just pleasure reading and school library checkouts.

OverDrive offers titles from a variety of curricula. If you need digital classroom resources, **we can help.**

Upcoming Webinars

Getting Started with Sora (2020 summer/fall series)
September 28 @ 3:00 PM

Learn how easy it is to get started with Sora, the student reading app!

We'll show you how to browse and borrow ebooks and audiobooks, and tips for customizing the reading and listening experience in Sora. The webinar will also review where to find help and free, customizable Sora marketing resources.

This webinar is great for partners new to OverDrive and for anyone who would like a refresher on the student user experience.

- Prefer to learn about Sora on your own time and at your own pace? Check out our short, sequential [Sora how-to videos](#).

Training Kits

Want to host your own training session? Looking for student resources? Download a kit to use with your staff or school community.
