The student reading app

Flexible lending models

One Copy / One User	Titles are borrowed by one student at a time. Never expire from the collection.
Metered Access	Titles are borrowed by one student at a time. Expire after a set period of time. Metered by time, checkouts, or both.
Metered Access Concurrent Use	Titles are borrowed by multiple students at the same time. Expire after a certain number of checkouts (e.g. 100 checkouts).
Cost Per Circ	Pay only when title is borrowed. Titles can be borrowed simultaneously until budget runs out.
Simultaneous Use	Titles can be borrowed simultaneously. Usually expire after a set time. Project Gutenberg titles never expire.
Class Sets	Title "rental" model. Automatically check out/in to student. Expire after Class Set period ends.
