Add titles to Lucky Day

All titles in your collection must have at least 1 non-Lucky Day copy, so holds can be fulfilled. As a result, you won't see titles with only 1 copy in your results below. We'll also prevent you from designating 100% of a title's copies for Lucky Day.

Notes:
Cost Per Ctr and Simultaneous Use titles aren't eligible for Lucky Day.
Adding a copy of an MA; by checkout (concurrent users) title will allocate all remaining checkouts of that copy for Lucky Day. Copies can be borrowed by multiple users concurrently.

Format All formats
Lending model All lending models
